

## Walter Taylor Bridge Full Bridge Closure

### Essential Maintenance works - Chelmer and Indooroopilly

#### WHAT WORKS ARE COMING UP?

A full closure of the Walter Taylor Bridge will occur from **9pm Friday, 13 September to 5am Monday, 30 September 2024** for essential maintenance works and road resurfacing.

#### WHEN WILL WORKS TAKE PLACE?

<b>Start</b>	9pm Friday, 13 September 2024
<b>Finish</b>	5am Monday, 30 September 2024
<b>Time</b>	24 hours per day weather and construction conditions permitting.

#### PRELIMINARY WORKS

Night time traffic closures will be undertaken from 2 September prior to the full closure.

The bridge footpath will be closed from 26 August to 30 September 2024.

#### WHAT DOES THIS MEAN FOR ME?

Motorists and public transport commuters should expect localised traffic changes with lengthy delays including road closures, traffic disruptions and changed Council bus services and stops.

#### Footpath changes

- Pedestrian and cyclist access will remain open via the Jack Pesch Bridge.
- The footpath underneath the bridge on Wharf Street will be intermittently closed during the works.
- The Indooroopilly Riverwalk will remain open.

#### Road closures

The Walter Taylor Bridge roadway and surrounding roads **will be closed from 9pm Friday 13 September to 5am Monday 30 September 2024.**

Motorists will need to follow the designated detour route via Oxley Road, Seventeen Mile Rocks Road, and the Centenary Highway.

Access to the local roads will remain in place for residents to access their properties.

**Plan your journey in advance via the QLDTraffic app, visit [QLDTraffic.qld.gov.au](https://www.qldtraffic.qld.gov.au) or call 13 19 40**  
**[Pedestrian and vehicle detour map on back page.](#)**

#### Changed Council bus services

The following bus routes will be impacted by the closure: **598/599 – Great Circle Line, 105, 106, 108.** Temporary bus stop changes will be in place.

#### Train services will continue during the bridge closure.

#### Accessible Transfer – South

Graceville train station is the closest station with lift access south of the bridge. Commuters who cannot use stairs and who need to transfer from a train to a bus, will need to use bus stops adjacent to Graceville train station to access their usual bus route.

#### Accessible Transfer - North

Indooroopilly train station has lift access to Westminster Road. From there passengers can travel about 275 metres to Clarence Road Stop 36 (Stop ID 001666) and catch buses 427, 428 or 432. Alternatively, Coonan Street Stop 53 (Stop ID 1665) is about 250 meters along Coonan Street from Indooroopilly Station, outside the Eldorado cinema.

- 598 services will terminate here after servicing Indooroopilly Shopping Centre
- 599 Services will commence from here linking to Indooroopilly Shopping Centre and then the normal route.

Bus passengers travelling via Indooroopilly to Sherwood or Graceville Stations should disembark at Lambert Street Stop 35 (Stop ID 001663) and catch the train from Indooroopilly train station.

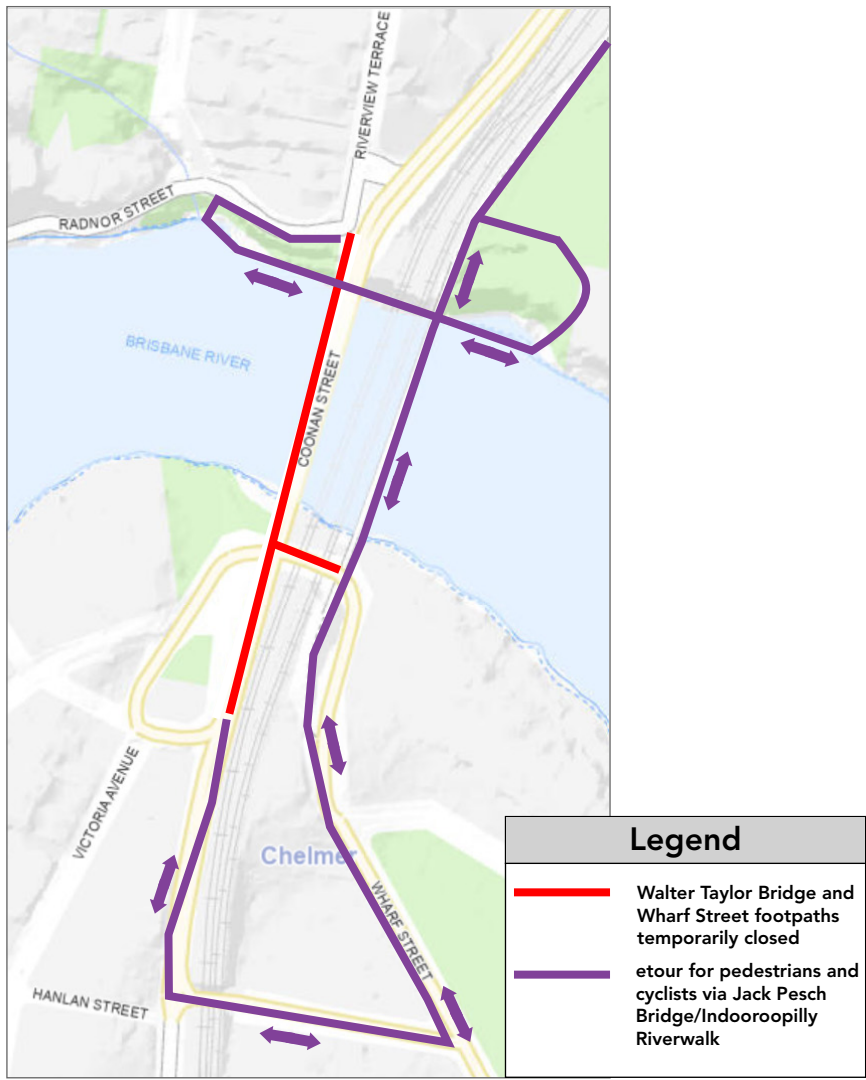

#### Access via stairs

Underpass at Indooroopilly Station exits on Station Road.

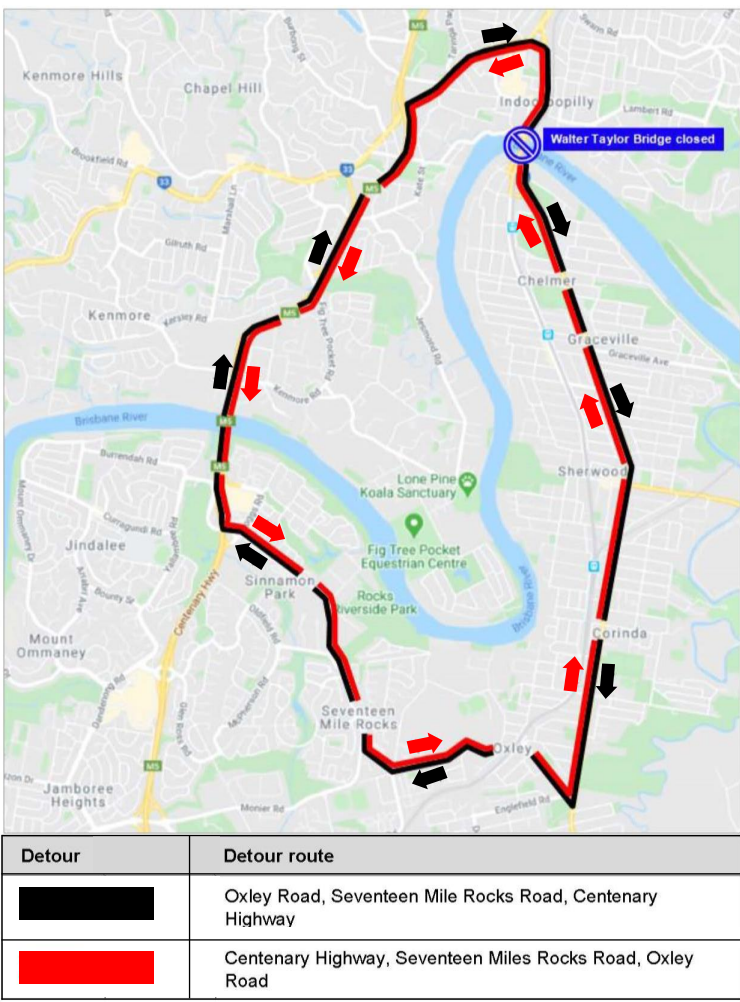

We encourage you to please consider your travel options and allow for extra travel time. **For bus travel plan your journey in advance via the Translink app, [translink.com.au](https://translink.com.au) or call Translink on 13 12 30.**
